

MCIS 2018 (<http://www.mcis2018.eu>)

Call for Research Papers

We cordially invite you to submit research papers for the tracks of the 12th Mediterranean Conference on Information Systems (MCIS2018) under the theme “Digital and Social Transformation for a Better Society” that will take place in **Corfu, Greece** and will be organized and hosted by the *Department of Informatics of the Ionian University* on **September 28-30, 2018**. All accepted papers will be presented at MCIS2018 and included in the proceedings, which will have an *ISBN number*. Full research papers will be published in the *AIS Electronic Library*. Expressions of interest for participating at the **Doctoral/ Junior Faculty Consortium (DC/JFC)** may be submitted electronically to mcis2018dc@gmail.com. Please refer to the website for more details about the submission procedure and deadlines for the DC/JFC. The conference will also host **workshops** providing the IS community with the opportunity to meet and exchange ideas on specific IS research themes. For specific information and submission instructions about the workshops please visit the website.

Conference Tracks

- | | |
|---|--|
| <ul style="list-style-type: none"> • General Track • ICT in Tourism • IS Education in a Digital Business Process Transformation Perspective • Information Systems for Green and Sustainable Society • Health Information Systems and Bioinformatics • Blockchain Applications: Issues, challenges and opportunities | <ul style="list-style-type: none"> • Big Data and Business Analytics Ecosystems • Digital Markets • Internet of Things Systems for Smart Living and Smart Business • New Directions for Digital Governance: Towards Government 3.0 • Security and Privacy • Improving Lives with Information Technology (track organized by the OCIS group of the Academy of Management) |
|---|--|

Submission Requirements and Guidelines

- **Full research papers** should present original work that has not been previously published in a journal or conference proceedings or is currently submitted for evaluation elsewhere. Full research papers should not exceed 12 single-spaced pages (excluding references).
- **Research-in-progress papers** may also be submitted provided that they present unfinished or promising studies, which may benefit or be improved from feedback of other MCIS participants. Research-in-progress papers should not exceed 7 single-spaced pages (excluding references).
- All submissions should be submitted electronically to **only one track** through the EasyChair electronic submission system in PDF format (<https://easychair.org/conferences/?conf=mcis2018>) and should conform to the template that is available online at <http://www.mcis2018.eu>.
- The conference and program chairs are exploring the possibility for **fast tracking the best papers to indexed information systems and electronic commerce journals**.
- Please note that **English** is the official language of the conference and, hence, of all submissions.
